

CONGRATULATIONS CLASS OF 2017!

Johns Creek High School has selected Legacy Studios to be your official senior photographer for this year. **We will be taking portraits for the Class of 2016 at the school on June 21 and 23, as well as July 12, 14, 19, 21, 26 and 28.**

Your yearbook photo will be a traditional head and shoulder pose in the required tuxedo or drape with a standard blue background. This ensures uniform head size and background consistency. Tuxedos and drapes will be provided for your use. Gentlemen, please wear a t-shirt and ladies, please wear a thin strapped tank top to your yearbook sitting to ensure a quick change.

You will be given full color proofs immediately following your sitting and a brochure to place orders for packages or individual prints. You will also be given a password protected personal online gallery to view and purchase your images!

There is no charge for a Yearbook sitting. For all other sittings, please bring your sitting fee with you. Cash, credit, checks and money orders made payable to Legacy Studios are accepted.

SCHEDULE YOUR SENIOR PORTRAIT SESSION TODAY!

Please visit www.legacystudios.com to create your appointment online. Click "Book Your Appointment" and enter your school name to be taken to your scheduling site.

Gentlemen, please note – tuxedo jackets size 38 through 56 will be provided for your use. Please make alternative arrangements if another size is required.
